

Northeast Pierre Transportation Study

Public Informational Meeting
Kennedy Elementary
January 4th, 2017

Study Objectives

- Identifying transportation issues and needs in the study area through analysis of existing and future operations and public input.
- Developing plans and tools to guide development of the future transportation system to serve the community's needs.
- Specific access management plans for the US 14/US 83 and SD Hwy 1804 arterial corridors.

Welcome to the Northeast Pierre Transportation Study Project

The South Dakota Department of Transportation, the City of Pierre, and the Federal Highway Administration have partnered to conduct a study of the transportation system in Pierre's anticipated growth area, with the cooperation of Hughes County. This study will focus on the northeast part of Pierre, concentrating on the arterial street corridors. The goal of the study team is to develop a plan to effectively manage the growth with a well planned transportation system.

LATEST NEWS

Public Meeting Scheduled

December 9, 2016

A public meeting is scheduled for January 4, 2017 from 7:00 to 8:30 pm at Kennedy Elementary School in the gym. The school is located at 2306 Brookstone Loop. Meeting materials will be posted on the website by January 6th, 2017.
